Ing About \$2,000. Pross American Architecture, an ex-cellent-bask for intending home insisters, by Palliese, Palliese & Co., and published by J. S. Ogilwie, Kew York, are taken the follow-ing planes and view of the residence of Mr., R. R. Monry, of Tanswell, Va. The letter press anosempanying the planes is no follows:

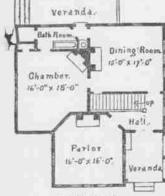

This estings is of a form that is compe his estings is of a form that is compact
is every way available; the rooms ar
co, have high cultings and at the sam
a afferd every convenience in their as
greasest, making them desirable for
ally of refined tastes and moderate means
is built of wood, though in favorable ic
this it would be better still of stone of
and if within the convenience with that ck, and, if suitably surrounded with tast ig, profty and attractive home. One can by the exercise of appropriate tasts, produce the right kind of impression in a house of this character. It should become a part of and belong to the acres which surround it; it should be an indispensable accessory to the

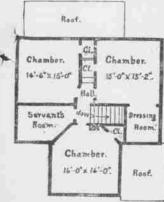

out and subclished in such a manner that
the whole combination impresses one with
harmonious beauty and not, as is too often
the case, seek to make up for the deficiencies
in the grounds by elaborate expenditure and
tisplay about the house.

A true appreciation of a country or suburban home will not tolerate abovenly, ill kept
vrounds, and no home exhibits its true value.

grounds, and no house exhibits its true valu esa there is a harmony in its surroundings If this be attended to, a high degree of effect can be produced in house of very moderate cost; houses that should be roomy, warm, abstantial and in every way agreeable to

The glass throughout is common sheet with-out color, but the dividing up of the upper saches gives character to the whole; the plain at of the exterior is more than made

This house is substantially built and cotains the modern conveniences; there is no water closet, but an earth closet is provided in connection with bath room, which is pref erable. Cost about \$1,900,

Simple Yet Elegant From Building we take the accompanying view of a simple yet elegant and artistic ball. It is in the readence of Dr. W. M. Fellows.
